LATIN & GREEK ROOTS I

This course is based on

English from the Roots Up: Volume I by Joégil Lundquist.

Your student will **gain a true understanding of the meaning of English words** by learning Latin and Greek roots.

Homework, which includes a review of class material, will increase student success on weekly quizzes and periodic tests.

*"Just as phonics helps children figure out what **words are**, Latin and Greek help them figure out what **words mean**... we need to teach vocabulary... as a system of parts - roots and affixes - that have been handed down to us in a remarkable degree of preservation from the Latin and Greek of ancient times." —Lundquist*

Tuition: **\$30**

Supply Fee: **\$10**

Text Book: **None**

Teacher: **Buckson**

Grades: **3rd-6th**

Day: **Thursday**

Mrs. Terri Buckson, M.A.
